Correspondents will please give facts as briefly as possible. When anything of great importance occurs use the Telegraph or the Telephone at our expense.

STONELICK.

Mr. William Holliday is able to be out after quite a serious attack of throat trouble.

Eliza Cobb of Springdale was a pleasant guest of John S. Wells and family Tuesday.

Corn and gardens are suffering for rain. The tobacco looks well considering the dry weather.

Mrs. Anna Ross of Orangeburg was visiting her daughter, Mrs. George Sedden, the first of this week.

Miss Carrie Mason left Monday for Huntington, where she has been making her home for the last two years.

Mrs. Robert Toile and little son of Maysville are the pleasant guests of Mr. and Mrs. John Holliday this week.

A great many are sacking their wheat, waiting for cooler days and water, which is very scarce at this time.

George Sedden and Perry Jones killed near the residence of L. H. Colburn Thursday morning a large spotted snake, measuring 8 feet 9 inches.

Mrs. Jennie Zeigler and children have returned to their home in Huntington, after spending a month with her parents, Mr. and Mrs. Alex Mayhugh.

A. B. Yazell, the huckster, comes in every Thursday evening with a load of poultry, butter and eggs, that he gets in the Peck's Ridge neighborhood, Fleming county.

The blackberry crop is a failure in this neighborhood; apples have about all dropped off; plums are rotting and dropping off before they are ripe; grapes are looking fine.

Mr. Gus Toile has been quite successful collecting the taxes levied on the citizens in this Precinct for the repairing of the schoolhouse and the digging of a cistern or well, which has been neglected for years.

The Directors of the Board of Trade are asked to meet tonight at 7 o'clock at the room, Masonic Temple.

Bumps or Bruises.

Sprains or sores, burns or scalds, wounds or cuts, tetter or eczema, all quickly cured by Banner Salve, the most healing medicine in the world. J. Jas. Wood & Son and Armstrong & Co.

G. W. Rogers & Co.'s whisky is guaranteed to be strictly straight and pure. No spirits or rectified goods sold.

Horbine clears the complexion, gives buoyancy to the mind, cures headaches, regulates the stomach and bowels, stimulates the liver and is, in fact, a perfect guardian of the health. Price, 50 cents. J. Jas. Wood & Son.

Failing to convict W. W. Thomas of arson, the Cincinnati Court has nolle the indictments against the other alleged conspirators, Isaiah Thomas, Miss Mary Stone and J. Harry Watters. The whole controversy is now relegated to the Civil Courts on the suits to recover the insurance. Of these, there are twenty-nine pending in the Superior Court against Thomas, which will come to trial at the fall term. In addition to these suits, there are five pending in the United States Courts to recover the insurance paid on the 1885 fire.

The blood is strained and purified by the kidneys. No hope for health while the kidneys are wrong. Foley's Kidney Cure will make healthy kidneys and pure blood. Nothing else just as good. J. Jas. Wood & Son and Armstrong & Co.

Women's Rights.

Many women suffer all sorts of so-called "female weaknesses" simply because their kidneys are out of order and they have a right to know Foley's Kidney Cure is the medicine needed by most ailing women. J. Jas. Wood & Son and Armstrong & Co.

The World's Christian Endeavor Convention opened Friday last in London.

The Virginia from Pittsburgh will pass down tonight.

The Henry M. Stanley will be up tonight for Pomeroy.

The Lizzie Bay from Pomeroy will pass down tonight.

The towboat Uncle Sam is out on the Covington Docks for repairs.

Captain Ed. Eastin bought the Owensboro at Evansville last week.

The Levanna Mills received another large fleet of timber last week.

Ed. Howard launched two new sand-barges Saturday. They go to St. Louis.

The New South is being put in shape at Cincinnati for next season's business. A new nosing has been put on her and her wheelhouses painted.

The big towboats John A. Wood, W. W. O'Neill, Boaz, Raymond Horner, and Harry Brown are coming up the Mississippi with big tows of empty coalboats.

The barge stage that was looked for at Pittsburgh Saturday did not come, and in consequence only about 40 flats and 20 light barges got out. The river is again falling at headwaters.

The locks, Nos. 6 and 7, at the Kanawha river have been damaged by the heavy drift out of Elk river on the last run, and it is said that it will take several weeks before the damage can be repaired. In the meantime no coal can be dropped out of the Kanawha.

W. C. Jutte has bought the towboat R. L. Aubrey for the Monongahela and Western Dredging Company from Captain C. W. Posey and others. It is not known what Jutte paid for the boat, but the craft is said to be worth \$18,000. It was built a year ago, and is regarded as one of the best low-water boats about the Pittsburgh harbor.

It is conceded that after 1901 the Upper Mississippi will only be used for barge and raft traffic and that not even one passenger steamer will ply its waters from St. Louis to St. Paul. The Government is preparing to spend millions "improving the navigable condition" of that part of the old Father of Waters, while the Diamond Jo Line are fixing to sell their boats, as they are not making money.

The T. H. Davis is now on her way to Cincinnati from St. Louis. By the time she arrives there Captain Oscar F. Barrett expects to have her new boilers completed and ready to be placed on the boat. The new boilers are nearly an exact duplicate of the boilers of the Queen City, which are regarded as the most nearly up-to-date boilers on any steamboat on the river. The Queen City is said to be the most economical boat on fuel on the river.
